- There is an optional Work Based Learning module in Level 5, which students negotiate to do as a replacement for another module. Students have to fund their own transport to this placement;
- There is an expectation that Level 6 students fund their Degree Show, although they often take on fundraising activities throughout the year to help with this. A final year student should budget approximately £100 for this, but often it is much less;
- It is advised students invest in a portable hard-drive to back-up all their digital work. Approximate cost £50.
